

It was very close to a perfect day for the Sun Valley Ski Club's Billy Goat Loppet 10 km race held on Saturday, January 23<sup>rd</sup>, 2010 held this year from Prairie Creek to Cathedral Pines. The race was changed from Billy's Bridge at the beginning of last week, not knowing there would be quite a few storms and probably enough snow on the original course the day of the race. But everyone seemed to enjoy this 11 km on the Harriman Trail, certainly a good warm-up to the Boulder Tour on February 6<sup>th</sup>. Thanks go to the sponsor Backwoods Mountain Sports, Mountain Fairy for shuttling racers, Starbucks Coffee, Hammer Nutrition and Perry's for hot chocolate and goodies.

There were 41 women and 34 men who completed the course and overall results follow:
